

Friends of Watertown Music is a group of volunteer parents and friends of the music program in the Watertown Public Schools, which recently came together in response to the threat to the integrity of the music program resulting from several years of difficult budgets at local, state and federal levels. We *love* our music program and are committed to offering the *best* to the students of Watertown! For further information, please visit our website at: www.watertownmusic.org! **All donations to Friends of Watertown Music are Tax-Deductible!**
